**Product Lines by Manufacturer**

	Starters, push buttons & low voltage motor control		Line reactors / harmonic filters
	Linear guides & ballscrews		Precision servo reducers
	Planetary gear reducers		Ballscrews, linear bearings, jacks & actuators
	Stepper & servo drives & motors		Cord sets & connectors
	HMI, Industrial PC's		Servo couplings
	Fuses		Vacuum components, cups & accessories
	Power transmission & precision, gearing, worm, helical, planetary		Grippers, robot accessories, Rotary actuators, linear slides
	AC/DC drives & motion control		AC & servo drives, motion & machine control
	Ballscrew / roller screw linear actuators		Wire duct
	Safety switches / safety relays		Line reactors / harmonic filters
	Roller screw linear actuators		Absolute & incremental rotary encoders, lasers, position sensors
	Linear motors / controls		PLC & integrated operator interface
	AC motors		AC motors & variable frequency drives
	Control transformers		AC Drives / servo drives / motors, motion & machine control

# More Than Products

## Engineering, Service & System Integration Capabilities

### ELECTRICAL DESIGN

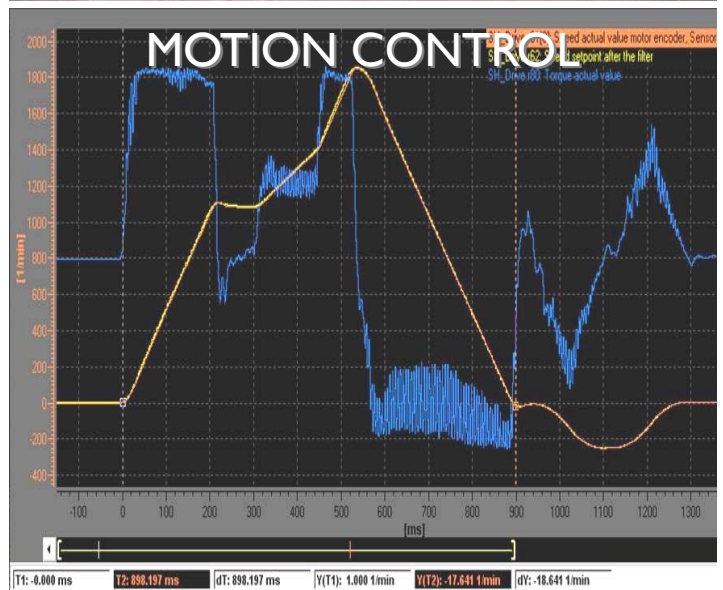

- Drafting
- Component Selection
- System & Panel Design

### PANEL ASSEMBLY

- UL508 Control Panel Manufacturer
- ISO 9000:2001 Quality System

### PROGRAMMING / STARTUP

- Motion / PLC / HMI Programming
- Quality Assurance Test & Inspection
- Installation, Commissioning, Start-Up

### FIELD SERVICE

- 24 / 7 Tech Support
- Municipal or Industrial AC or DC Drives
- Municipal or Industrial Control Systems
